

ÜBERSICHT

FASZINATION „JAGEN IN PAKISTAN“

Pakistan ein Land das uns Jägern viel zu bieten hat. Über eine fordernde Jagd auf Blauschafe im Himalaya, auf eine der verschiedenen Urial Unterarten oder eine Jagd auf die zwei vorkommenden Steinbockunterarten. Bis hin zum König der Berge dem Markhor, wovon gleich drei Unterarten in Pakistan ihre Fährte ziehen. Dieses Land bietet uns Jägern eine breite Palette an faszinierenden Wildarten.

Wir freuen uns auf Ihre Anfrage.
